4.1 Institutional Vision:

1. Vision Document: <https://gcsarahan.edu.in/about/vision/>

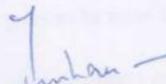

2. Institutional Development Plan:

<https://gcsarahan.edu.in/pdf/InstitutionalDevelopmentPlan2324.pdf>

8. It has been observed that by and large parents are reluctant to send students (especially girls) to participate in various competitions like youth festivals and inter college competitions so parents will also be persuaded and motivated to send their wards to participate in various competitions outside the college.
9. In the modern times students should not just be confined to their opted subjects but in fact they need to learn by going beyond the precincts of their subjects so in order to instill this kind of learning our college will initiate inter-faculty lectures where the teacher from commerce will deliver some basic lectures on the subjects like Income Tax, Financial literacy etc. to the students of Humanities and teachers from Humanities will deliver some basic lectures on subjects like 'Importance of Music', 'How Literature can Improve the Quality of Life' etc. to the students of Commerce.

The teaching and non-teaching staff has started executing the above mentioned plan in order to bring a seminal change in the personality of the students.

 महोदया,

सविनय निवेदन यह है कि हमारे महाविद्यालय बहुत से विद्यार्थी रोजाना बस से सुबह महाविद्यालय पहुँचते हैं व शाम को घर वापस जाते हैं। महाविद्यालय के बाहर जो बस स्टैंड है वहाँ से वे बस लेते हैं वहाँ पर कोई भी वर्षा शालिका न होने के कारण बारिश व कड़ी धूप होने के कारण उन्हें असुविधा का सामना करना पड़ता है। हमारा आपसे यह निवेदन है कि वहाँ पर वर्षा शालिका का निर्माण किया जा चाहिए। जिससे की विद्यार्थियों को असुविधा व सामना न करना पड़े।

4.5 Green and Clean Campus:

A **Clean and Green Campus** is one where sustainability, environmental responsibility, and cleanliness are prioritized to create a healthy, eco-friendly, and conducive learning environment. In the face of pressing global environmental challenges, educational institutions have an important role to play in leading the way toward sustainability and our college Govt. Degree College Sarahan too has maintained a clean and green campus. This campus is single use plastic free, conservation of water takes place through rainwater harvesting. Saplings are planted by Eco club and NSS volunteers every year in the rainy season. Students not only plant the saplings but ensure their protection and growth as well. There is a proper system of garbage disposal in the campus. Bio-degradable or organic waste and non-bio degradable waste are collected in green and blue dustbins respectively. LED bulbs are used in the campus to save the consumption of electricity. Most of the faculty members commute by pool in cars to save energy and to support the cause of environmental protection. Most of the students who come from nearby villages either reach the college on foot or by buses so this way they also support the cause of conservation of energy and protection of environment. For maintaining the proper cleanliness in the campus an employee has been engaged through PTA fund. It is ensured by the college administration that washrooms are clean so that health and hygiene of all the stakeholders may be maintained. NSS volunteers organize cleanliness drives from time to time to keep the college premises clean. These are the various ways by which we ensure maintenance of a clean and green campus.
